

Meter Readings

SPM, energy and Regeneration readings are updated during Loco Inward and Outward. Application allows the user to view these details in "Meter Readings" page with corresponding date and schedule.

Movement Register Navigation Menu -

a. View Meter Readings:

- Click on "Movement Register" side menu and select "Meter Readings" sub menu.
- "Meter Readings" page is displayed along with Loco field.
- Enter the Loco Number and click on button.
- A tabular format of all the SPM-Readings, Energy-Readings and Regeneration-Readings are displayed along with dates.
