

Annual Schedule Planner

Schedule Planning is defined for every Loco before taking it for Inward. PPIO supervisor plans and updates the schedules for the Loco as per the requirement when the Loco is taken for Inward.

Annual Schedule Planner is the plan for financial year with the monthly list of locos planned for Major schedules. Annual schedule planner displays locos with different colors same as monthly schedule planner based on their current status.

Planning navigation menu -

- Click on "Planning" side menu and select "Annual Schedules Planner" navigation menu.
- "Annual Schedules Planner" page is displayed that gives the information about the list of Locos having their major Schedules either Completed/Delayed/In Progress/Schedule Due on a monthly basis with relevant color codes.
- Application allows the user to drag and drop the loco number image in any of the month's column according to the schedule requirement.
