RB SPECIAL DRIVE- 'Special Equipment Census'

1. Introduction:

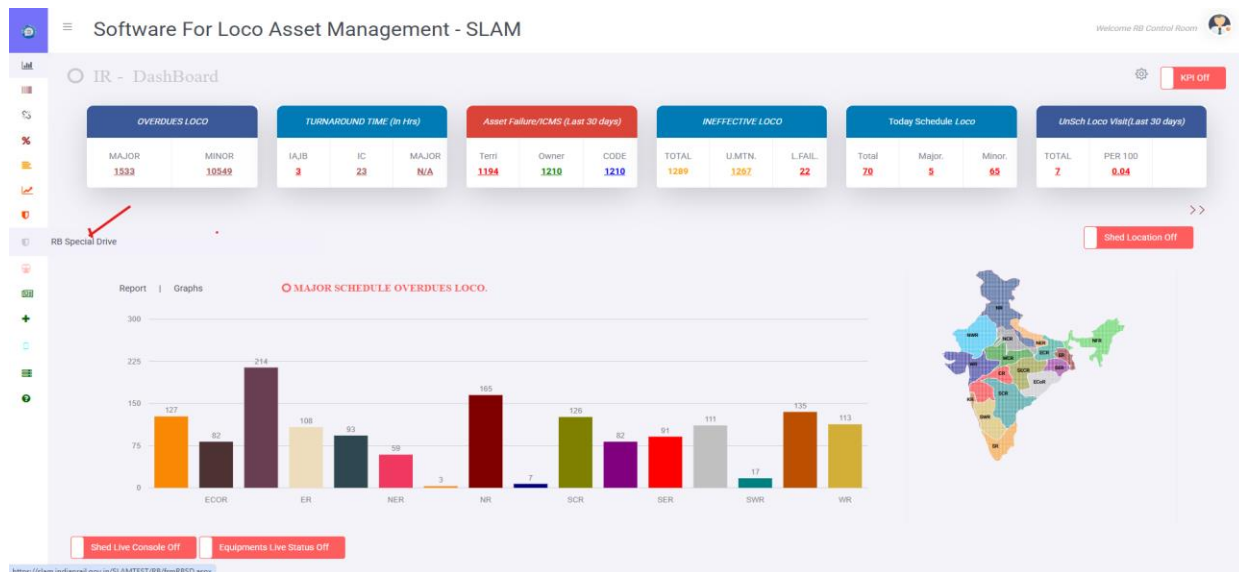

Provision for creating 'Special Equipment Census' drive for equipment like Waterless Urinal, LED Headlight, inspecting Official seat, ergonomically designed driver seat, Tool box with tools has been developed on SLAM under existing 'RB Special Drive' functionality for implementation by Zonal Railways.

The detailed process flow for creating 'Special Equipment Census' drive by Traction Dte./Railway Board in the SLAM system is outlined in subsequent sections.

2. Railway Board:

a. Creating Drive

- (i) Login from Railway Board Control Room user
- (ii) Click on RB Special Drive icon as shown below

(iii) RB Special Drive window will open. In 'Drive Type' field different types of drives will display in drop down list. Select the 'Special Equipment Census' drive.

(iv) Select Loco type, Equipment, Implementing agencies, schedules, document number, file name/no., select date of issue, upload document, add description.

RB Special Drive

Drive Type	Special Equipment Census	RAP Document Number	291025/ waterless urinal
Loco Type	WAG9,WAG9H,WAG9HC,WAP4	File Name/No.	291025/ waterless urinal
Special Equipments Census	WATERLESS URINAL		
Implementing Agencies	Elsd	Date of Issue	03/11/2025
Schedules	UnSch,IC0,IA,IC,1	Upload File	Choose File 071220222.pdf
Description	Special Equipment Census for waterless urinal		

(v) Click on save button, Are you sure you want to save the document? Message will appear. Click on OK.

(vi) Saved Successfully message will display.

slam.indianrail.gov.in says
Saved Successfully with ID: RBSD/Special Equipment Census/9

b. View Status of Drive

(i) Click on IR reports to view generated record.
