

## TLC Loco Movement

Loco shall be taken inward at TLC before sending it to ELS/TS (Electric Loco Shed/Trip Shed) to carry out particular task according to the requirement. User shall have the provision to Add/View/Update Loco Movement by accessing "TLC Loco Movement" sub menu.

Image - 1

### a. Add TLC Loco Movement:

- Click on "TLC Loco Movement" sub menu under Movement Register side menu.
- "View TLC Loco Movement" screen is displayed which has "[Add New Arrival](#)" link.

 A screenshot of the "View TLC Loco Movement" screen. At the top left, there is a link "Add New Arrival". Below this, there are several search filters: "Loco", "Base Shed", "Under Defect" (with a dropdown menu showing "--All--"), "Under Main." (with a dropdown menu showing "--All--"), "From", and "To". The "To" field contains the date "28/10/2022". There is a "Go" button to the right of the date field. At the bottom left, there is a checkbox labeled "Show Maintenance Details" which is currently unchecked.

Image - 2

- On clicking the "[Add New Arrival](#)" link, user will be navigated to "Add TLC Loco Movement" page where Loco Incoming details will be collected by entering/selecting all the mandatory fields.
- On entering Loco Number, it's Home Shed, Loco Type and previous loco schedule details will be displayed automatically.
- On saving, the entered details will be saved into the system for valid entries. Else error message is displayed for invalid entries.
- Below screens give pictorial representation of adding TLC Loco Movement.
