

## Equipment Change Register

Technical section supervisor shall Add/View 'Equipment change Register' form.

After Clicking on Equipment Change Register it displays with the page below:

Managing Equipment Change Register page displays .

In this page user selects either "Equipment Change(Single)" or "Equipment Removal(Bulk)" Link for removal and changing of an equipment.

### i. Equipment Change single

To update equipment details,

Click on "[Eq Change\(Single\)](#)" link, application shows "Add Loco Equipment Change" page.

- Fill in removed equipment info details.
- Select equipment provided under Provided Equipment.
- Select equipment from the equipment drop down list under Provided Equipment Into section and fill other information.
- Click on **Save** button to save the details.
- Equipment is replaced with a new equipment and successful message displays on the screen.

### Add Loco Equipment Change

**Removed Equipment Info**

Select Loco From: Under Maintenanc

Loco: 30219-TKD

Eq. Name: Traction Motor G9P7 - 1

Eq. Number (M): TM-TG-1940

Eq. Number (L): TG-1940

Removed On: 06/08/2022 14:33

Schedule: GC

Reason for Removal: Failure

Under Warranty:  Yes  No

Abnormality: removed

**Provided Equipment Info**

Eq. Number (M): TM-TG-3051 / CLW

Eq. Number (L): TM-TG-3051

Provision Date: 06/08/2022 14:33

Remarks: provided

Save Back

## ii. Equipment Removal(bulk)

To update equipment removal details of multiple equipment at a time,

### Managing Equipment Change Register

Equipment Change(single) | **Equipment Removal(bulk)**
